Please report any items of maintenance you notice on the End of Camp checklist form, which is to be left at the Camp on the kitchen servery on your departure.

Camp Instructions

Toilets Please do not put sanitary pads down the toilet as they block the septic tank. There are rubbish bins provided in the toilet block

Cleaning Please ensure the facility is left in a clean state, Inadequate cleaning up could involve the loss of your deposit. See cleaning instructions on the notice board and also on the end of Camp Checklist Form.

Graffiti Will not be tolerated in any form around the camp. Please ensure you check all areas especially bunk rooms before leaving.

Use of Hall tables Please discourage your group members from sitting on tables in main halls as they are costly to repair.

Cool/Dry store room Please keep the door to the dry store room and cool store room closed, when in use.

Motor Vehicle Parking Please park all vehicles at the rear or western end of the main building (Not in front) There is ample parking in the accommodation block area.

Appliances Electric lights, heaters etc. to be left switched off at the end of your stay. Kitchen to be cleaned thoroughly and equipment put away.

Drinking Water The Camp water is sourced from the Timaru Water supply and treated to Health Regulatory Standards.

Fires are not permitted on the camp property. A fixed gas fired BBQ is on the site and the gas is supplied. (Gas bottles kept in the laundry with BBQ key attached)

Campers are warned that lighting fires outdoors during closed fire seasons is an offense, punishable by law.

Dogs No dogs are permitted at the Camp

Security Please ensure that if you are leaving the camp for the day that all doors are locked and windows are shut. Groups are responsible for making the Camp secure on completion of Camp.

Local Framers All surrounding land is in working farm use and is therefore subject to O.S.H. hazards. It is necessary for group leaders to obtain permission before entering any private land in the area and to learn of the hazards.

John McKerchar 6143759

Showers Please try and limit the time each person spends in the shower.

Electric Power Please turn off all lights and heaters when not in use.

Fire alarm Should a fire alarm be activated the person in charge will carry out the evacuation procedures. If the alarms are maliciously set off by a member of your group any costs will be your responsibility.

Health & Safety The Camp Management takes all reasonable care to maintain the property and equipment in a safe condition. All occupying groups are advised to make themselves aware of any hazards that are in or around the camp.

Breakages Please list any breakages or damage people in your group have caused. Any cost involved will be deducted from the deposit refund or if more than \$100.00 an account will be sent to recover the costs of damage.

Maintenance The Camp does not employ a caretaker but all maintenance is completed by volunteers. The Camp relies on Camp users to keep the Camp clean and tidy.
